Messages: Instantly be in the know with push notifications directly from the St. James office. You can respond directly to messages from the church in the app – no need to call the office!

Calendar: Never forget an event with the St. James calendar at your fingertips! You can easily import an event to your own calendar with the touch of a button.

Groups: Each St. James ministry has their own group participants can use to send messages to each other. These groups are viewable only by approved participants.

Prayers: You can find a list of traditional prayers, and can submit prayer requests, both public and private, through the app's Prayers button. You can even set a reminder for your daily prayer time.

Giving: We will be rolling out Online Giving soon, and with this button you can easily make your financial contributions to St. James from your phone.

Confession: Find a helpful Confession guide here, and be sure to keep track of your last confession. Set a reminder for your next Confession, too!

Parish Info: Find our website, social media, staff directory, and more here.

MassMode: Use this Fr. Dennis approved feature to set a reminder to silence or turn your phone off before Mass and Confession, either by time or location.
